

Dear Friends, Neighbors, and fellow book lovers,

On behalf of the staff, the board of trustees, and the entire community of Wilson, we want to express our deepest gratitude for your support for the Wilson Community Library during our recent vote to increase the funding for our library. The response from the public in voting to approve the budget increase was overwhelming and because of that increase we will be able to continue to serve our community efficiently and effectively.

Wilson Community Library aims to provide quality materials, connect people and ideas, empower the community, and inspire lifelong learning by offering books, technology and educational programs for all ages and backgrounds, serving as a hub for knowledge, creativity, and community engagement.

We are proud of our library and the way we are able to support our amazing community. The community members are the true heroes for our library and your commitment to us and each other inspires the board and the staff to continue working diligently to provide the best library around!

Once again, thank you for your support!

And please come visit your library... Where Minds Can Set Sail
